Projects

volunT

A website designed to efficiently gather and organize volunteers, streamlining the process of connecting individuals with opportunities and enhancing community engagement.

<https://github.com/Isindu980/volunT>

Self Balancing Robot

A self balancing robot using arduino uno.

<https://github.com/Isindu980/SelfBalancingRobo>

Smart Home System

Developed a smart home system integrating AC bulb control, water pump management, and water level monitoring. The system enhances convenience and efficiency through remote access and automation, utilizing IoT technology for real-time management and monitoring.

<https://github.com/Isindu980/SelfBalancingRobo>

Urban Foods

A platform to connect local distributors with customers

<https://github.com/Isindu980/Urban-Foods.git>

Extracurricular Activities

- Played on School Badminton Team.
- Member of the English Society.
- Board of Prefects (2016-2018).
